

Every generation, every century, begets women of honour, of compassion, of will. . .

Women of valour, courage, and strength. . .

*Women who have risen from the depths of obscurity and periods of darkness to
combat ignorance, evil, injustice. . .*

These are women who turned the impossible into reality

Introducing

Daring Daughters of the Faith

A series of musical odysseys celebrating the lives of early sainted women.

These inspiring concerts combine the very best of authentic story-telling and traditional celtic harp, with flute accompaniment.

Come, gather around a modern *trobairitz*, whose rich musical skills will transport you to another place, to a forgotten past . . . and there tell the true and wondrous stories of heroines whose influence is felt even still.

These concerts are particularly suited as a fund-raiser for your event, congregation or parish.
